

CERTIFICATE

Dear Madam, dear Sir,

As one of the leading suppliers of serum and cell culture reagents, Biowest is a key research partner. This is why it is important for us to be available for our customers involved in health and safety research programs or the production of vaccines or diagnostic kits. For these reasons we exceptionally authorize the shipment of goods for the above-mentioned reasons.

By signing this certificate, you guarantee that the goods are intended for health and safety research programs, the manufacture of diagnostic kits or vaccines.

NB: the shipment of goods will be FCA Nuaille (the goods will be shipped under the responsibility of the customer)
